

QMF-72R — Ricochet Verification Affidavit

Purpose:

Document unintended ball deflection caused by trees, cart paths, signage, architecture, or other hostile infrastructure.

Incident Location:

Hole #: _____

Club Used: _____

Weather Conditions (Alleged): _____

Obstacle Involved:

- Tree
- Rock
- Sign
- Bench
- Cart path
- Golf cart
- Entire course
- Other: _____

Ricochet Direction:

- Backwards
- Sideways
- Into parking lot
- Into water hazard
- Into another fairway
- Into another dimension

Severity Level:

- Minor Deflection
- Noticeable Injustice
- Catastrophic Geometry Failure
- "That Was Clearly Wind"

Requested Relief:

- Replay shot
- Improve lie slightly
- Improve lie dramatically
- Declare Moral Par

Witness Statement:

"Yeah... that was weird."

Primary Witness Signature: _____

Co-Conspirator Signature: _____

Commissioner Determination:

- Relief Approved
- Relief Approved Retroactively
- Denied — Tree Maintains Innocence
- Referred to Snack Arbitration

Official Notes:

- Trees are presumed hostile unless proven friendly.
- Cart paths may accelerate ball speed unpredictably.
- Geometry is flexible.
- Ricochets that improve position are considered skill.
